

June 24, 2010

Dear Valued Customer:

This letter is to inform you that recycling and disposal rates at the Shoreway Recycling and Disposal Center will change effective Thursday, July 1, 2010. Please refer to the back page of this letter for the new rates.

The rate adjustments were approved by the Board of Directors of the South Bayside Waste Management Authority (SBWMA) on June 24th. The SBWMA, a Joint Powers Authority composed of 10 peninsula cities, unincorporated portions of San Mateo County and a sanitary district, owns the Shoreway facility and is operated by Allied Waste of San Mateo County on the SBWMA's behalf.

The rate adjustments are being enacted to reflect changes in the cost of handling and disposing of materials delivered to the Shoreway Environmental Center.

Tip fee rate for solid waste delivered to the Shoreway Environmental Center will increase slightly from \$34.00 to \$35.00 per cubic yard. The increase is due to a disposal fee increase approved by the County Board of Supervisors on all tons disposed of at Ox Mountain Landfill. The County is increasing the AB 939 fee at Ox Mountain Landfill from \$7.02 to \$9.83 per ton of waste received effective July 1, 2010. Solid waste from the Shoreway Environmental Center is disposed of at the Ox Mountain Landfill and the Shoreway tip fee increase is intended to cover the \$2.81 per ton landfill cost increase.

The tip fee rate for dirt, concrete asphalt and like materials will also increase modestly from \$80.50 per ton to \$83.00 per ton. This fee increase is also due to the increase in fees imposed by the County on the Ox Mountain Landfill.

Tip fee rate for Construction and Demolition (C&D) materials delivered to the Shoreway Environmental Center is **decreasing** from \$34.00 to \$28.00 per cubic yard. This tip fee reduction reflects a reduction in the rate to process C&D materials by the off site processing facility utilized by the Shoreway Environmental Center. In order to get this lower rate C&D loads can not be mixed with green waste, trash, or dirt.

There is no change to the yardage rate for clean wood or green waste.

Note that construction to the Transfer Station will commence August 2010 and will be complete in spring 2011. We apologize in advance for any customer service impact this may cause. The purpose of the transfer station construction, though, is to improve traffic flow, increase customer safety and ease of use, and provide space for additional recycling activities. Please visit our website at www.RethinkWaste.org for updates on our construction.

If you have any questions regarding these rate adjustments, please contact our offices at 650-802-3500.

Thank you for your business.

Sincerely,

SOUTH BAYSIDE WASTE MANAGEMENT AUTHORITY
Kevin McCarthy
Executive Director

Shoreway Transfer Station Rates

Effective: July 1, 2010

Description of Items Accepted

Commercial Yardage (solid waste)		\$35.00 per cu yd
Residential Yardage (solid waste)		\$35.00 per cu yd
Clean Construction & Demolition (C&D)*		\$28.00 per cu yd
Clean Commercial green waste & clean wood		\$25.00 per cu yd
Clean Residential green waste & clean wood		\$25.00 per cu yd
Dirt, Concrete, Rock, Sod, Asphalt & all like materials		\$83.00 per Ton
Asphalt Roofing & all like materials		\$83.00 per Ton
Water Heater up to 60G		\$14.00 each
Water Heater 60G & up		\$21.00 each
Refrigerator with proof of Freon evacuated		\$21.00 each
Refrigerator w/o proof of Freon evacuated		\$48.00 each
Mattress or Boxes Spring (any size)		\$19.00 each
Sofa (sectionals are charged by section)		\$35.00 each
Washer, Dryer, Kitchen Appliances (dishwasher/stove/etc)		\$14.00 each
Truck Tire with rim		\$28.00 each
Truck Tire w/o rim		\$24.00 each
